Company Overview

Youth Villages has been a national leader in the implementation of research-based treatment philosophies in the field of children's mental and behavioral health. Our commitment to helping troubled children and their families find success spans 30+ years and includes a comprehensive array of programs and services.

If you are looking for a positive career move where you are meeting the challenges of life and striving to make a positive difference, then Youth Villages is the place for you. We are looking for people with a strong sense of purpose and focus to continually build confidence in yourself and our organization.

Responsibilities

Program Overview

Our Intercept program serves a broad population of youth, including those involved with multiple child-serving systems and those at high risk of removal from their families. The program specializes in diverting youth from out of home placements by helping their families safely maintain youth in their home environment. This position is responsible for providing intensive home-based therapy to families.

Position Overview

- Carry small caseload of 4-6 families
- Hold family sessions with each family 3 times a week scheduled at the convenience of the families
- 3 supervision meetings a week
- Web-based documentation (voice recognition technology in most locations)
- Provide on-call availability to families during the week, one weekend each month
- Drive up to 60-80 miles to meet with families in the home
- Counselors provide treatment in individual families' homes in a wide array of settings and communities

Additional Information

Schedule is flexible and non-traditional; based around the availability of youth and families served. Applicants must have a valid driver's license, a personal vehicle to use for work purposes and auto insurance.

Community Based staff will be reimbursed for applicable mileage
