Our mission is to deliver personalized, proactive, and holistic support that empowers and inspires each learner to reach academic, personal, and professional goals and to flourish at Brody and beyond.

We care about the success and well-being of every learner. Our goal is to serve by not only meeting but exceeding learner expectations. As a team, we endeavor to provide extraordinary support experiences from the preclinical to clinical years. Moreover, we seek to reflect the same level of excellence in our work that our learners regularly aspire to and that the Brody has come to be known for.

Provide mental health triage and developmental/diagnostic assessments for Brody learners; maintain a thorough, in-depth working knowledge of the DSM-5 diagnostic criteria system.

• Provide short-term, evidence-based mental health counseling to individual Brody learners and/or couples and/or groups.

• Perform emergency and crisis intervention when indicated; appropriately refer learners for emergency treatment when applicable.

• Maintain timely records of services provided to learners and use appropriate record keeping protocols.

• Make referrals to and coordinate mental health care for
learners who need to be linked to campus and/or community psychological and psychiatric service providers.
• Develop and disseminate educational and training resources on mental and emotional health and wellness for learners, groups, and Academic Affairs units.
• Provide consultation to Brody faculty and staff regarding learner mental health concerns in the medical school training environment.
• Masters degree in Counseling or Social Work or a related mental health field.
• At least 4 years of professional experience providing mental health counseling to college learners and/or adult learners in professional schools.

Minimum Education/Experience

• Knowledge and competency in culturally informed therapeutic approaches.
• Experience with time-oriented, brief models of mental health counseling.
• Crisis management skills, including experience with risk assessment and safety planning.

License or Certification Required by Statute or Regulation

Fully licensed for independent practice as a mental health therapist in the state of North Carolina.

• Experience working in a university college counseling office.
• Experience providing psychoeducation and mental health outreach, including experience developing presentations and speaking to diverse audiences.

Preferred Experience, Skills, Training/Education

• Experience working with neurodiverse populations (e.g., ADHD, autism spectrum, learning disorders, etc.).
• Training and experience in crisis management and therapeutic techniques in order to assess and de-escalate acutely distressed patients.

License or Certification Required by the Department

East Carolina University requires applicants to submit a candidate profile online in order to be considered for the position. Candidates must also submit a cover letter, resume, and a list of three references, including contact information, online.

Special Instructions to Applicant

Applicants must be currently authorized to work in the United States on a full-time basis.
In order to be considered for this position, applicants must complete a candidate profile online via the PeopleAdmin system and submit any requested documents. Additionally, applicants that possess the preferred education and experience
must also possess the minimum education/experience, if applicable.

AA/EOE

East Carolina University is an equal opportunity and affirmative action employer and seeks to create an environment that fosters the recruitment and retention of a more diverse student body, faculty, staff and administration. We encourage qualified applicants from women, minorities, veterans, individuals with a disability, and historically underrepresented groups. All qualified applicants will receive consideration for employment without regard to their race/ethnicity, color, genetic information, national origin, religion, sex, sexual orientation, gender identity, age, disability, political affiliation, or veteran status.

Individuals requesting accommodation under the Americans with Disabilities Act Amendments Act (ADAAA) should contact the Department of Human Resources at (252) 737-1018 (Voice/TTY) or ADA-Coordinator@ecu.edu.

Final candidates are subject to criminal & sex offender background checks. Some vacancies also require credit or motor vehicle checks. ECU participates in E-Verify. Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States. If highest degree earned is from an institution outside of the U.S. and its territories, final candidates are required to have their degree validated as equivalent to the degree conferred by a regionally accredited college or university in the U.S.

Eligibility for Employment

If you experience any problems accessing the system or have questions about the application process, please contact the Office of Human Resources at (252) 328-9847 or toll free at 1-866-489-1740 or send an email to employment@ecu.edu. Our office is available to provide assistance Monday-Friday from 8:00-5:00 EST.
